OBJECTIVE

As a highly motivated and results-driven BCA graduate, I am eager to apply my knowledge of software development, programming languages, and data management to contribute to a dynamic team. I possess strong problem-solving skills, attention to detail, and a passion for continuous learning. I am seeking an opportunity to work in a challenging environment where I can enhance my technical abilities, develop my professional skills, and make a meaningful contribution to the success of the organization.

EDUCATION

- **Techwingsys IT Training Institute, Kochi** - Python Full Stack Developer 2025
- **St.Antony's College, Peruvanthanam**- Bachelor Of Computer Applications (BCA) 2022-2025

PROJECTS

- **Instagram Clone**
Built a responsive social media web app replicating Instagram's interface with features like posts, stories, and navigation using ReactJS, HTML, and CSS.
- **Portfolio Website**
Creating a responsive personal portfolio with HTML, CSS, and JavaScript, including sections for Home, About, Education, Projects, and Contact.
- **Home Security System**
Developed a real-time face recognition system for home security, integrating Python and MySQL to ensure only authorized access. Demonstrates the application of AI in enhancing privacy and safety
